# COMMUNITY

- + Startup Village is the Tech hub of Amsterdam
- + We are here to help Tech Startups
- + We are the location where education, research and innovation intersect.
- + We are informal, fun and together with our partners we continue to prioritize the growth and self-expression of our villagers

### Core values

- Respect for all life
- There's always a solution
- Helping is our middle name
- We are stronger together

### Mission

- 'We support our innovative tech startups, every step of the way'

### Core Competitions

- First office with own front door
- Unique location
- Incubators at location
- All the help for our startups
- Our community adds value for every member in it
- Network in Tech & Knowledge institutions

### Profit X

- 95% occupancy rate
- 60% revenue is rent, 40% is events and other
- 2025 loan free

In 2035 every big city, worldwide, wants to have their own Startup village

**“It takes a village to raise  
a Startup”**
